

I Purchased of Schuster & Knox, Schuyler, Nebr.

Samples

No. 1 – Colored candy, Manufactured by Bute & Frank, Chicago. Note. This sample of candy requires a very careful examination. After eating of it one child died, and two others were taken sick. Altho it has not yet been shown that the said bad effects proceeded from the candy, it is very strongly suspicious.

No.2. Candy Manuf by Peycke Candy Co. Omaha, Nebr.
