Only two of the rooms are in use; fifty four pupils in the primer and first grade are in one room, forty seven pupils in the second, third and fourth grades are taught by one teacher in the second room. The school is	<a href="https://catalog.archives.gov/id/541233">https://catalog.archives.gov/id/541233</a>	245-MS-2305L
Community		Reception room in clinic in company owned hospital. U.S. Coal & Coke Company, U.S. #30 & 31 Mines, Lynch, Harlan County, Kentucky.	<a href="https://catalog.archives.gov/id/541407">https://catalog.archives.gov/id/541407</a>	245-MS-2913L
Community		Dr. Rucker takes pulse of miner who has come in for a back- to-work slip. Patient complained of aches and pains all over; the doctor said he might have rheumatic fever, prescribed mild pain-relieving drug and signed a back-to-work slip. There was no examination other than the pulse-taking.	<a href="https://catalog.archives.gov/id/540790">https://catalog.archives.gov/id/540790</a>	245-MS-1415L
Community		Mrs. Walter Rose, wife of miner, and her baby. She lives in three room, extremely dirty house. The baby probably has rickets and has never had any other food than powdered milk although he is ten months old. The company doctor has not given Mrs. Rose any instruction as to feeding and care	<a href="https://catalog.archives.gov/id/540759">https://catalog.archives.gov/id/540759</a>	245-MS-1260L
